ARMOUR BUILDING,

TEL. 264, 60 DELAWARE ST.

FINANCIAL.

There was a fair call for money yester-

day, but most of the demand continued

in the form of short time notes, and

mercantile papers, until light and what

were being made, mainly for short time. Rates

now stand below 100 per cent., but

the market for long time notes are

more than 100 per cent., and the

strength of the market for long time

notes is still light, and what

is being made, mainly for short time. Rates

now stand below 100 per cent., but

the market for long time notes are

more than 100 per cent., and the

strength of the market for long time

notes is still light, and what

is being made, mainly for short time. Rates

now stand below 100 per cent., but

the market for long time notes are

more than 100 per cent., and the

strength of the market for long time

notes is still light, and what

is being made, mainly for short time. Rates
